Terms

Carcass weight to be determined by the butcher at processing and we will notify you of the actual weight 1 week or so prior to delivery.

Price per lbs includes cut & wrap costs (butcher paper) as well as delivery within our normal service area. Additional fees may be applicable for special requests such as cryo-vac, plastic wrap plus butcher paper; additional steaks or items also available from our stock at retail price; and, delivery fee outside our normal service area.

Customizable cuts are only available for 1/2 or Full animals. This is where you can select your cuts, thickness, size, etc... See over for details.

Standard cuts are only available for 1/8 and 1/4 as we would like our customers to be able to share all the cuts of a 1/2 animal and therefore, they are split equally between the 1/8 and 1/4.

Each cut individually wrapped may consist of the following details:

Steaks: T-Bone, Sirloin, Ribeye, Tenderloin (3/4" steak thickness with 2 steak/pack)

Roasts: Sirloin Tip, Eye of Round, Inside Round, Cross Rib (3 - 4 lbs roasts)

Ground Beef / Stew: 1 to 1.5 pound packs (lean)

2. Payment Requirements:
